JASMIN REESE INTERIORS

is a Chicago-based residential luxury interiors firm that also services southwest Florida. Jasmin meets clients for a collaborative "Style session" to determine how high octane the client is willing to go. She expertly blends antiques with modern elements, dark finishes mixed with light, feminine tones contrasting with masculine, and high low pieces. Her signature style includes bold wallpapered ceilings that allow artworks to be at eye level and artfully designed "colour bomb" rooms that are whimsical and sophisticated at the same time.
